

Emka

Emka whispers softly my name
She whispers gently through the night
Calling out from heaven disgrace
The music changes all the time
All the things that I want to say
All the things that I want to say
Tell me that she's getting to me
Tell me that she's getting to me

SHE BRINGS LOVE AND TAKES IT ALL AWAY
SHE BRINGS LOVE AND LEAVES ME HELPLESS THIS WAY (x 3)
BRINGS LOVE BUT TAKES IT ALL AWAY

Emka loves me body and soul
She loves me softly all the time
Asking for no love in return
The magic feeling of the night
All the words that I cannot say
All the words that I cannot say
Tell me that she leaves me this way
Tell me that she leaves me this way

SHE GIVES LOVE BUT TAKES IT ALL AWAY
SHE GIVES LOVE BUT LEAVES ME HELPLESS THIS WAY (x3)
GIVES LOVE BUT TAKES IT ALL AWAY
